

PENNSYLVANIA STATE POLICE
SEXUAL OFFENDER REGISTRATION
 MEGAN'S LAW

1.	☒	You are required to register as a sex offender because you have been convicted of a sexually violent offense or were required to register as a sex offender in another jurisdiction. You will be notified by the Pennsylvania State Police when your registration period is over.
2.	☒	The following is a summary of the sex offender registration requirements contained in Megan's Law (42 Pa.C.S. Chapter 97, Subchapters H or I) that you must comply with:
a.	☒	You must register with the Pennsylvania State Police and furnish all registration information required by Megan's Law, which may include but is not limited to any of the following: information about your residence, employment and school enrollment, vehicles owned or operated by you, your photograph(s), your fingerprints (and palm prints) and your DNA sample. Depending on what you have been convicted of (or how many convictions you have), you may be required to register up to your lifetime. Failing or refusing to complete your initial registration or comply with any other provision of Megan's Law at any other time will subject you to arrest and felony prosecution pursuant to 18 Pa.C.S. § 4915.1 or § 4915.2.
b.	☒	In-person appearance to update information for offenders whose offense occurred ON OR AFTER December 20, 2012: You must appear in-person, within three (3) business days, at any approved registration site to notify the Pennsylvania State Police of any of the following: (1) Any change in name, including any alias. (2) Any change in residence, including but not limited to: beginning to live in a residence, adding an additional residence, moving out of a previously registered residence, or failing to have a residence (thereby becoming a transient, <i>i.e.</i> homeless). (i) If you become a transient (homeless) you must provide a list of places where you eat, frequent, engage in leisure activities and any planned destinations, including those outside this Commonwealth. If you change, add to, or remove any of these places listed during a monthly reporting period, you must list these changes when verifying at the next monthly reporting interval. (3) Any change in employment, including but not limited to: beginning employment, adding additional employment or leaving previously registered employment for any reason. If you are not employed at a fixed address (<i>e.g.</i> you have a delivery route), you must report your general area of employment and employment-travel route(s) and any changes to them. Employment includes a vocation or employment that is full time or part time for a period of time exceeding four days during a seven-day period or for an aggregate period of time exceeding 14 days during any calendar year, whether self-employed, volunteered, financially compensated, pursuant to a contract or for the purpose of governmental or educational benefit. (4) Any enrollment as a student, including but not limited to: enrolling as a student, adding additional places of study or termination of enrollment as a student. (5) Any change in telephone number (including landline, cell phone or virtual), including but not limited to: obtaining a new phone number, terminating your phone number or otherwise modifying your phone number. (6) Any change in information related to any vehicle (including watercraft or aircraft) you own or operate, including but not limited to: adding or terminating vehicle ownership or operation. This includes any change in the location where the vehicle is stored or parked and any change in license plate number, registration numbers and other identifiers. (7) Any temporary lodging information, including but not limited to: commencing temporary lodging, a change in temporary lodging, or a termination of temporary lodging. You must provide the specific length of time and the dates during which you will be temporarily lodged away from your registered residence(s) for seven (7) days or more. (8) Any change in e-mail address, instant message address, or any other designations used in Internet communications or postings (<i>e.g.</i> social networking sites, Internet message boards). This includes, but is not limited to, the addition, deletion or modification of any Internet identifier. (9) Any change in occupational or professional licensing information (<i>e.g.</i> car dealer, barber, realtor, etc.). For offenders who are registered for an offense that occurred BEFORE December 20, 2012: You must notify the Pennsylvania State Police within three business days of the following: (1) Any change in residence, including but not limited to: beginning to live in a residence, adding an additional residence, moving out of a previously registered residence, or failing to have a residence (thereby becoming a transient; <i>i.e.</i>, homeless). NOTE: If you become a transient (homeless), you must provide a list of places where you eat, frequent, engage in leisure activities, and any planned destinations, including those outside this Commonwealth. If you change, add to, or remove any of these places listed during a monthly reporting period, you must list these changes when verifying at the next monthly reporting interval. (2) Any change in employment, including but not limited to: beginning employment, adding additional employment or leaving previously registered employment for any reason. <u>"Employed" includes a vocation or employment that is full-time or part-time exceeding fourteen days OR for an aggregate period of time that will exceed thirty days during a calendar year.</u> If you are not employed at a fixed address (<i>e.g.</i>, you have a delivery route), you must report your general area of employment and employment-travel route(s) and any changes to them. (3) Any enrollment as a student, including but not limited to: enrolling as a student, adding additional places of study, or termination of enrollment as a student.
c.	☒	Shortly before your verification date, the Pennsylvania State Police will send a letter to your registered mailing address. This letter will not be forwarded. Failure to receive this letter does not relieve you of your obligation to comply with the law.

d.	Periodic verification of registration information is mandatory by all offenders as follows: (1) A Tier I offender must appear in person at an approved registration site annually. (2) A Tier II offender must appear in person at an approved registration site semiannually. ☒ (3) A Tier III offender must appear in person at an approved registration site quarterly. ☒ (4) A Sexually Violent Predator must appear in person at an approved registration site quarterly. (5) A Sexually Violent Delinquent Child must appear in person at an approved registration site quarterly. (6) A Transient ("homeless") offender must appear in person at an approved registration site monthly. (7) An individual designated as a Ten-Year Registrant must appear in person at an approved registration site annually. (8) An individual designated as a Lifetime Registrant must appear at an approved registration site annually.		
e.	☒ If you begin to reside, work or go to school outside of Pennsylvania you must register with the appropriate law enforcement agency in that other jurisdiction within three (3) business days of beginning to reside, work or go to school there. You must also appear at an Approved Registration Site and notify the Pennsylvania State Police in the manner described in paragraph 2(b).		
f.	☒ Offenders whose offense occurred ON OR AFTER December 20, 2012 must appear at an approved registration site no less than 21 days in advance of traveling outside the United States. You must provide the dates of travel (including the date of return to the United States), destinations, and temporary lodging pursuant to 42 Pa.C.S. §9799.15(i).		
3.	☒ If you are a Sexually Violent Predator or a Sexually Violent Delinquent Child you are required to attend at least monthly counseling sessions. If you have been designated a sexually violent predator (or similar designation) in another jurisdiction and are required to undergo counseling, you are required to attend monthly counseling sessions in Pennsylvania. If you fail to attend monthly counseling sessions you are subject to arrest and prosecution pursuant to 18 Pa.C.S. § 4915.1 or § 4915.2.		
4.	☒ Your name, address, and other identifying factors will be disseminated to law enforcement agencies. Certain other information about you will be made available to the public on the Megan's Law Website. If you have been designated as a Sexually Violent Predator or a Sexually Violent Delinquent Child this information will also be disseminated to victim(s), neighbors, schools, day care centers, colleges, county children and youth agencies, and to the general public upon request, as required by law.		
5.	☒ You should have been informed of your registration requirements by your sentencing court. NOTE: the terms of your registration (including Tier, Ten-Year or Lifetime designation and length of registration) are mandated by statute and are not part of your criminal sentence. If the court failed to inform you of your registration requirements (or incorrectly informed you of the same) this does not relieve you of your obligation to register as a sexual offender in accordance with the requirements of Megan's Law.		
6.	☒ It is your responsibility as a sex offender, to review and verify all information on this form and ensure it is correct. You should immediately bring any errors to the attention of the registering official before leaving the registration site. A failure to provide complete and accurate information when registering will subject you to arrest and felony prosecution pursuant to 18 Pa.C.S. § 4915.1 or § 4915.2.		
Any questions regarding your registration requirements should be directed to the Pennsylvania State Police, Megan's Law Section by calling toll free 1-800-331-3333, Pennsylvania State Police, Harrisburg, PA 17110-9758.			
I acknowledge that I have read and understand the requirements set forth in blocks 1 through 6. This verification is made subject to the penalties of 18 Pa.C.S. § 4904 and § 4915.1 and § 4915.2 (relating to unsworn falsification to authorities, and failure to comply with registration of sexual offenders requirements, respectively).
